## When I am Gone

When I am gone - fear not to say my name  
Nor speak of me in hushed tones  
As though it were a shame for me to die  
Let me figure in your daily life  
Speak of my loves and hates  
And how I used to talk and laugh  
This way I'll be forever in your memory

Remember the good times  
Remember the laughter not the tears  
The loving not the anger  
The courage not the pain  
My generous heart is still at last  
And I do not want anyone to be sad.
